The Island Heights Board of Health held its meeting on June 12, 2012 at Island Heights Borough Hall. Fran Gajano and Claire Cagney were present. Absent was Joann Moy.

The meeting came to order at 9:05. Mail was read.

Reports from Island Heights Grade School and Ring Around the Rosie came back satisfactory and the report on the Dog House says that it is Out of Business.

Fran Gajano said she is having trouble with some one letting their dog go on her property. She is going to try to figure out who it is.

Claire Cagney moved to close the meeting and Fran Gajano seconded it.

Sincerely,

Patricia C. Bailey, Sec.
