WEATHERIZATION ASSISTANCE PROGRAM

The purpose of this program is to increase energy efficiency of homes, reduce energy bills and keep your home warm. A trained technician will perform an energy audit of your home to determine how much money can be saved on your utility bills by weatherizing.

Installation of energy efficient measures may include air ceiling, insulation, replacement of refrigerators if determined necessary.

Households receiving SSI, TANF, FOOD STAMPS and/or VETERANS BENEFITS are categorically eligible.

# of People in Household	Total Household Income
1	21,660
2	29,140
3	36,620
4	44,100
5	51,580
6	59,060
7	66,540
8	74,020
